Taylor's Cup 2018/19

I have had a few members already show an interest in playing Taylor's Cup this year. It looked like we may have three sides this year but with a few of last years pulling out and the way we were always chasing players last year I feel we can only commit to 2 sides.

Last year we had a disappointing season in Silver and a good year in bBronze, but this year we need to improve in both divisions and make the finals.

Teams contest the series playing a single, pair, triple and a four, so we need a minimum of 10 players for each team. We play 6 to 8 games on Sunday nights from October till the finals in March/April.

I try to have teams of 14 or 15 to allow for illness and other occasions.

Cost last year was \$10.00 membership and \$5.00 a night.

If interested please see me and I will try to accommodate as many members as I can.

Let's have a great year both on and off the greens.

Regards

Malcolm Angus

THURSDAY LADIES PENNANT NEWS

There are currently 38 ladies available for selection in 3 Divisions – Div 1, Div 2 and Div 3. We are very pleased to welcome new members, Patricia Alexander, Christine Enders, Josephine Feetham, Margaret Parsons and Marlene Wright, also welcome back Susan McAndrew!

To all those who are injured or unwell, we hope to see you back on the green as soon as possible.

Our ladies are very fortunate in having the services of coaches Peter Crawford and Ian Wellington for every Tuesday training session and on game day. They also act in an advisory capacity for our Selectors, who for season 2018/19 are

Chairperson: Gail Hodshon

Div 1: Maxine Savage & Gill Allen

Div 2: Barbara Oliffe & Elaine Harvey

Div 3: Penny Prest & Jeanne Woodham

Ladies President Liz Allen is well supported by many other ladies who volunteer for one or more of the following - Board member, Team Manager, Kitchen help/BBQ helper/sandwich maker, umpire, coach, Trading table or uniform manager and the list goes on. Liz wishes to particularly acknowledge Gail Hodshon and Jennie Jones for all their behind the scenes work, getting trial games organized in consultation with the interim selectors and coaches.

Our goal in season 18/19 is to work hard on the green in order to have every division finish higher than they did last year whilst enjoying the sport and each other's company.

Urgent—Vacancy

Please let a committee member know you are interested in this position.

Salary is the same as mine. (Zero)

Please would someone like to take over the responsibility of creating, nagging people for articles and editing, posting on the internet and printing the newsletter. I have been editor since 2005 (14 years) and it is time for a change.

It should come out in September, December & March.—currently some of my busiest times with other bowling club jobs.

The Smile

Smiling is infectious
You catch it like the flu
When someone smiled at me today
I started smiling too

I walked around the corner
And someone saw me grin
When he smiled I realized
I had passed it on to him

I thought about the smile
And then realized its worth
A single smile like mine
Could travel round the earth

So if you feel a smile begin
Don't leave it undetected
Start an epidemic
And get the world infected.
